COSTS AND CAMP FEE

The budget for SPECIAL DAYS CAMPS is approximately \$250,000.00 per year. This covers the costs of renting the facility for summer and winter camp, as well as printing, postage and other administrative expenses. To try and offset costs, we engage in fundraising events throughout the year. Many businesses, organizations, churches and service groups conduct fund-raisers to help support us. Please contact us if you would be interested in helping with fundraising.

The requested fee for summer camp is \$75.00 per camper although the cost to SPECIAL DAYS CAMPS is nearly \$1,000 per camper. Please consider a donation in addition to the camper fee to help offset camp costs. **ALL donations are tax deductible.** If possible, please send in the camper fee with the application. If this is not possible, you may send your camp application and forms in now and the camp fee at a later date. If you cannot afford the fee, SPECIAL DAYS CAMPS grants partial or full scholarships, no questions asked. Please check the appropriate "Camp Fees" box on the application.

SPECIAL DAYS CAMPS is open to all eligible children regardless of ability to pay.

CANCELLATION POLICY:

A full refund of the camp fee will be made for cancellations up to two weeks before summer camp. After that date, a refund is available only when the cancellation is for medical reasons and SPECIAL DAYS CAMPS has been notified prior to the first day of camp. If a cancellation is necessary, please call SPECIAL DAYS CAMPS as soon as possible in order to open the space to another camper. **A bed will be held only until the end of the stated check-in time. After that time the bed will be given to another camper unless other instructions are received.**

SPECIAL DAYS SUMMER CAMP CELEBRATES 39 YEARS!

This summer marks SPECIAL DAYS CAMPS' 38th summer of camping, and we will be hosting camp at YMCA Camp Pentalouan located just north of Muskegon, MI. Campers will enjoy activities such as swimming, basketball, arts and crafts, campfires, nature hikes, challenge courses, boating, and horseback riding, just to name a few. We'll sing songs, play games, and have a great time; but the best part of camp is having the chance to renew old friendships and create new ones. Camp is a place where everyone can be themselves with others who understand and care. Come join the fun!

MEDICAL CARE AT CAMP

Staffing & Facilities

At all times, a physician and nurses are in attendance. Prior to camp, our health staff will review your camper's medical forms. At camp, the campers will receive a brief exam. Routine medical call is handled as needed 24 hours a day. There is room in the medical facilities for short-term medical observation so a child need not be sent home for minor discomforts. Medical equipment present at the medical center includes emergency medications, antibiotics, intravenous infusion materials and a small laboratory with a refrigerator and microscope. X-ray facilities are available at nearby hospitals in Muskegon. We are ready to handle most straightforward medical problems such as lacerations, ear infections, sore throats, gastrointestinal upsets, sprains, etc. The special needs of children on chemotherapy are always kept in mind.

Serious Illness

If a serious medical problem arises, we will not hesitate to contact you and your child's doctor. We will arrange for safe transportation to either the nearby local hospital or the hospital where you usually receive medical care, as circumstances warrant.

Chicken Pox

For a child whose immune system is weakened, chicken pox can have very serious consequences. For the safety of your child and other children at camp, if your child is currently receiving chemo or has been off chemo for less than one year (1), we **MUST** have documented results of a chicken pox titer. Documented cases of chicken pox are not sufficient. (See Medical History form)

Medications

The camp physician and/or a nurse will supervise or administer all of the medications your child requires while at camp. Please supply any and all routine medications needed, including any supplies required for Hickman or broviac care. Bring these medications to camp with your camper and check them in with the medical staff. Please have your child's clinic write a short note to the dose and method of administration. **No medications are allowed in the sleeping quarters**, including vitamins, aspirin, cough syrup etc. At the end of your child's stay at camp we will send a short note home regarding all medical care and any medications your child received during camp.

Questions about Medical Care?

If you have any further questions, please feel free to contact: C. Lynne Royer, RN, MSN (317) 355-3043, SPECIAL DAYS CAMPS' Health Director/ Nurse Practitioner.
