

SPECIAL DAYS CAMPS SUMMER 2021 BUS INFORMATION

On the camp application you indicated that your child(ren) would be using our bus service. Below are the details and we ask that you please read the following information carefully.

- In order to allow for the bus to stop at multiple locations the bus must stay on schedule and will not be able to wait past the times listed below. We ask that you arrive at least 30 minutes early to drop off and pick up your child.
- A responsible adult must check in each camper with the camp chaperone.
- **Upon arrival, please stay in your vehicle until you have been screened and checked in by a volunteer.**
- **Everyone is asked to wear a mask regardless of vaccination status.**
- **All campers must have proof of full vaccination status or a documented negative COVID-19 test prior to arrival to camp.**
 - Option 1: Obtain a PCR test within 72 hours of arrival to camp. • NOTE:PCR tests can take several days for test results to return. Before booking appointment, ask the clinic how long their typical test result turn-around time is to ensure that results can be completed within the 72- hour timeframe.
 - Option 2: Complete At-Home Antigen Tests – Within 24 hours of arrival at the camp.
- **All vaccinated campers will be required to provide a copy of the accination record or negative test results; please have this readily available in your vehicle.**
- All medications will be collected by the camp volunteers. Please have your child's medications in a plastic zip lock bag with his/her name on it. Include any updates for the med center with the medications.
- Please do not leave until you have made sure your camper has been checked in!
- The bus will leave promptly at the following scheduled times and will not wait for campers who are not present.
- Campers will sit on the bus by cohort (the cabin they will be with during camp).
- Lunch will be provided to campers once they arrive at camp and a sack lunch will be provided to campers returning home on the bus

We also appreciate your patience when waiting for the bus to return from camp. We have done our best to estimate driving times, but of course they are dependent on many factors such as traffic, construction, etc.

If you have any questions about the bus times on either a pick-up or drop off day you may call any of the following phone numbers to receive updates:

Stan Zidel, Bus Chaperone, 586-907-1102

Mark Davis, Bus Liaison, 517-896-6648

Camp Cell Phone (answered 24 hours a day during camp) 866-448-4710

Tammy Willis, Camp Director, 517-281-1308

We will be using a charter coach that has restroom facilities on board. Luggage will be stowed beneath the bus, but campers are welcome to take items they can hold in their lap on board with them. You are welcome to send snacks with your children and a sack lunch will be provided on the return trip from camp.

If you have money you would like to deposit into your child's camp bank, you may also give this to our bus chaperone.
